Choosing the post

135mm post

AWM-P13 is exclusively used with dynamic arms and allows for upgrades to a dual display solution.

400mm post

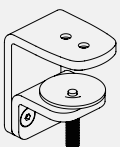

AWM-P40 will accommodate most single, dual or triple display configurations mounted in one row.

750mm post

AWM-P75 is required when mounting displays in two rows or when extra height is required for single, dual or triple configurations.

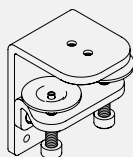

Desk fixing options (order separately)

F-clamp AWM-FF

Traditional two piece design. Better for retrofit and thicker desks up to 79mm.

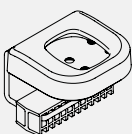

Dual plate F-clamp AWM-FH
