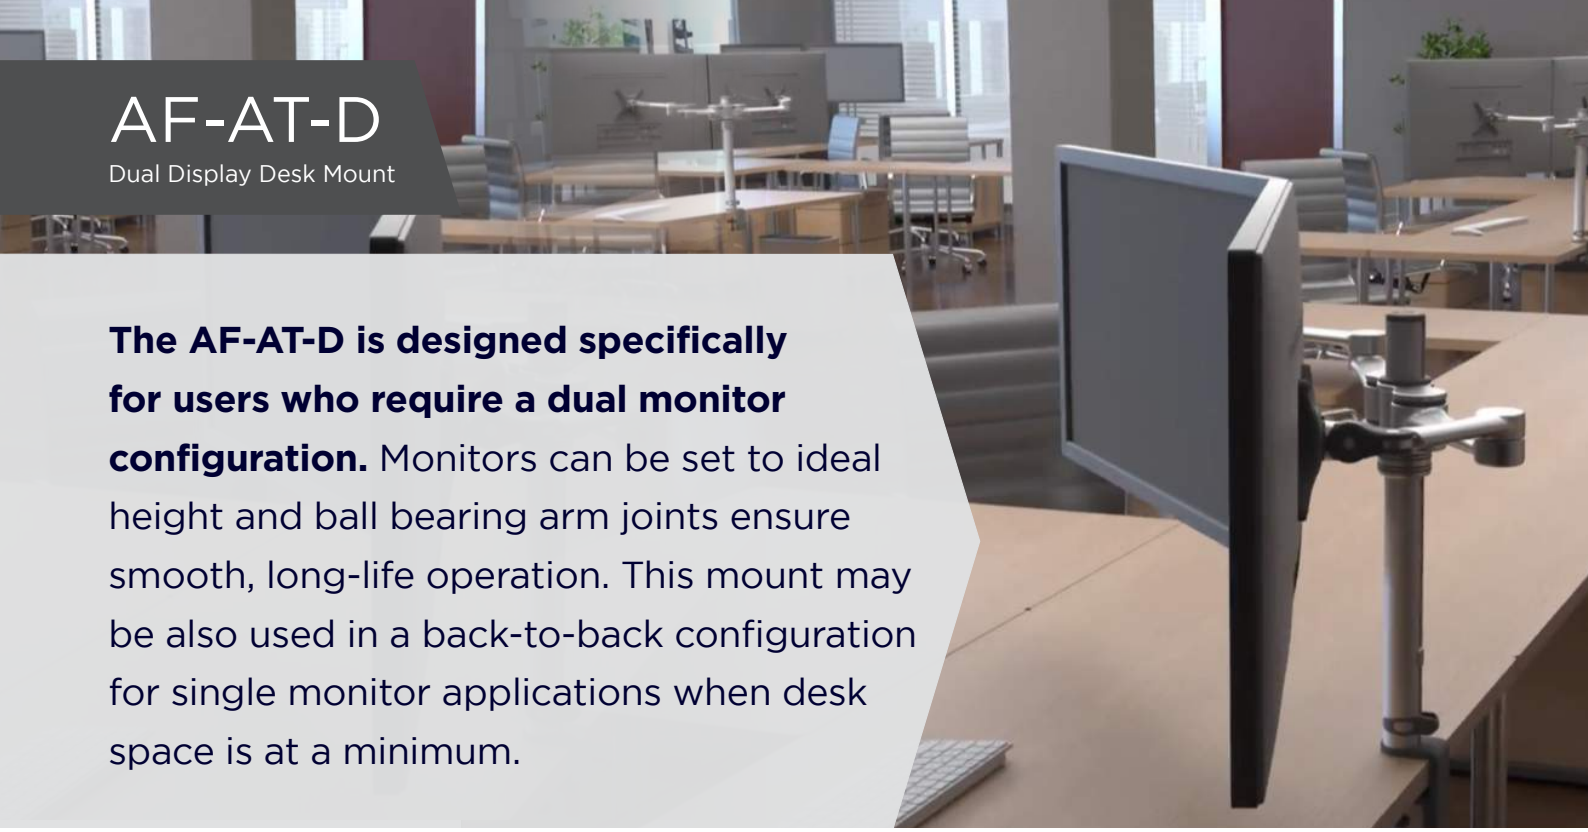
AF-AT-D

Dual Display Desk Mount



The AF-AT-D is designed specifically for users who require a dual monitor configuration. Monitors can be set to ideal height and ball bearing arm joints ensure smooth, long-life operation. This mount may be also used in a back-to-back configuration for single monitor applications when desk space is at a minimum.

Set & Forget desk mounting solutions

100 x 100

ATDEC Infinite Mounting Possibilities

Workspace mounting solutions

Desk fixing options

Desk Clamp
(included)

Traditional two-piece design. Better for retrofit and thicker desks up to 3".

Bolt Through
(included)

Offers flexibility in mounting position & when attachment to the edge of the desk is not possible.

Grommet Clamp AC-GC
(sold seperately)

Utilises an existing grommet hole & allows for heated cable management. Fits grommet holes 2.3" to 3" in diameter.

Accessories

The AF-AT-D can be upgraded to carry a mini PC.
