

Dual horizontal freestanding desk mount

The VFS-DH dual horizontal freestanding desk mount is an ideal accessory for any dual monitor application. Being able to mount two screens side by side with such versatility of movement creates a superior workspace for optimum productivity. Both monitors can be independently and infinitely adjusted up to 20° in any direction and can also be rotated between landscape and portrait screen orientations. The unique QuickShift™ lever provides independent horizontal adjustment without the need for a single tool. An elegant design with a footprint so small, at just 422mm x 305mm leaving your desk clear of clutter with the flexibility to be located anywhere on the desk.

VESA mounting hole pattern

75x75mm, 100x100mm
